

WE "OWN" NOTHING

We are but temporary stewards of our assets.

At some point in time, control passes to heirs, beneficiaries and government.

Sustaining self and family is always our priority.

Transferring our assets to the Government is least appealing.

Transferring assets to beneficiaries who create economic benefits for many people for years to come is the ultimate stewardship of what we control.

Transferring our assets during our lifetime produces results now as well as in the future. It also reduces taxes.

CONSIDER

Annual donations and charitable bequests to the airport.

The airport brings thousands of visitors to the Grand Lake Area community for business and pleasure from outside the normal drive time. Visitors leave money behind supporting community businesses. Visitors purchase homes, boats, and much more. They spread the "grandness of the area" across the country, bringing more people to our lake community.

If you would like to invest in the future of a large number of people through an airport donation and/or charitable bequest, contact Brent Howard. 918-693-1855 ~ info@southgrandlakeairport.com.

South Grand Lake Regional Airport
